

# Ivy Associates No-Travel-Expense 2015 PHOTO TRIPS

Your best value in architectural & industrial photography

**GREAT IMAGES  
HELP YOU SELL!**

**FOR 2015 WE ARE SCHEDULING TWO OF OUR FAMOUS NO-TRAVEL-EXPENSE PHOTO TRIPS – THE MOST ECONOMICAL COMMERCIAL PHOTOGRAPHY CONCEPT EVER. READ ON FOR MORE INFORMATION.**

**E**xcellent photos pre-sell like no other sales tool. So when you're trying to make your marketing budget do more with less, take advantage of Ivy Associates' No-Travel-Expense Photo Trips. **This year we travel approximately half of the country getting outstanding images of your projects and facilities —photos that help you sell—without charging you to get there.**

Travel is expensive, and many commercial photographers charge hefty amounts just to get to your job site. Our annual road trips bring you substantial savings. Each trip is a loop that

covers a major part of the country. Each itinerary is flexible; if you have a job anywhere close to the route shown on one of the maps in this brochure, we can shoot it without charging any travel fees.

**You don't pay a cent for air fares, auto mileage, meals or travel time – items which could easily double your cost.**

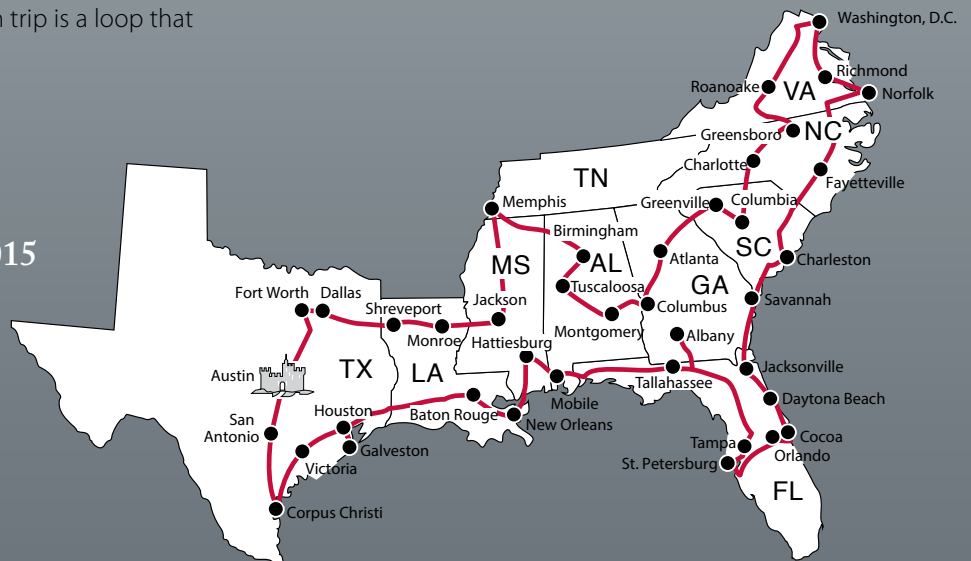

You pay only for shooting, lodging on your shooting days, out-of-pocket costs relating to your jobs (such as manlift or airplane rentals), and a modest digital capture fee.

**Unlimited use rights are included; there is no buyout fee.**

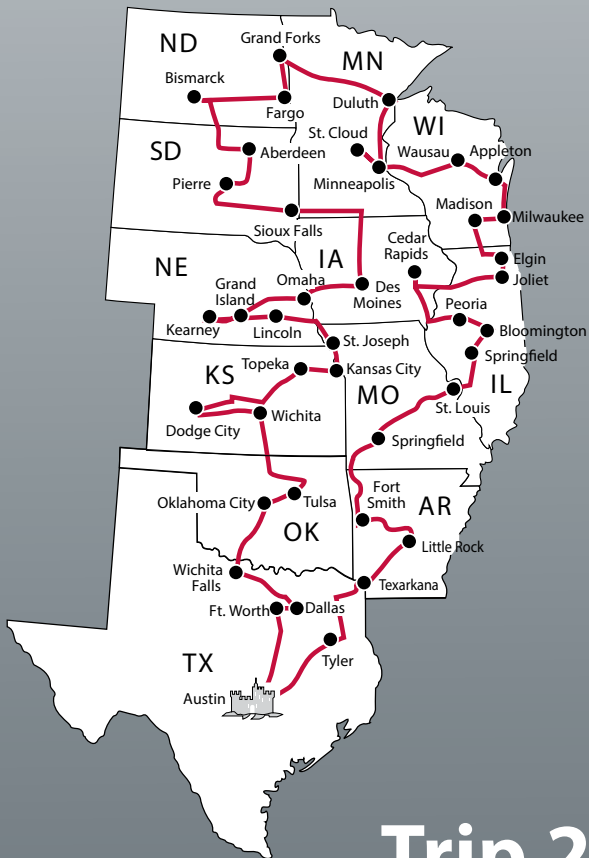

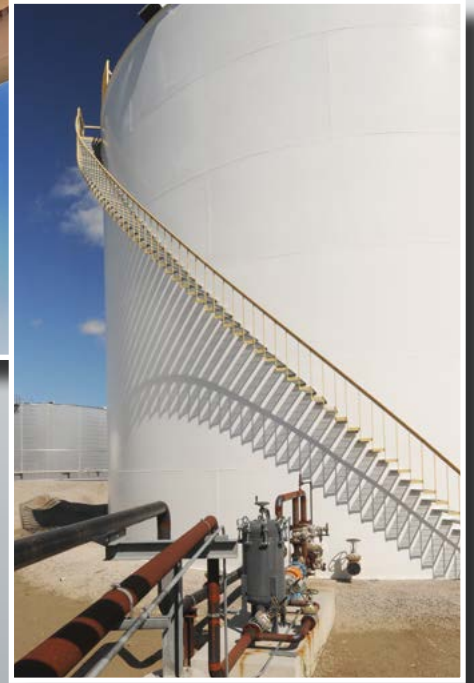

We shoot high-res digital. You get delivery of your images on disk, and we archive a copy too.

## Trip 1

Starts May 15, 2015

# Trip 2

Starts July 13, 2015

Now you can get reasonably priced, quality photos of your projects all over the country, without having to hire an unknown local photographer in each location. Save big bucks and make your company stand out, electronically or in print.

The vast majority of our assignments come from clients who use us year after year. To see an extensive portfolio of jobs from around the country, visit our website at [www.ivyassociatesphoto.com](http://www.ivyassociatesphoto.com).

### What We Do for You

- Deliver effective images that make your company shine.
- Represent you professionally and courteously to your dealers, clients and users of your products.
- Work closely with you, your area representative or your on-site people to work out shooting details.
- Get in touch with you if on-site conditions require your decisions and/or approval.
- Apply creativity in addition to — not instead of — your particular directions.
- Always look at each assignment from your perspective. We are part of your team, and our job is to do what you want done.
- Include basic Photoshop prep at no extra charge.
- Send images to you on disk and archive a copy at our office.

To see our portfolio, please visit [www.ivyassociatesphoto.com](http://www.ivyassociatesphoto.com)

Manchaca, TX 78652

# RATES

## Dennis E. Ivy and Paul D. Ivy, Photographers

**Photography, both photographer & assistant if any:**

Per hour . . . . . \$195.00  
There is a 2-hour minimum per location.

The following are included with each job: basic Photoshop prep, all digital images shipped to you on a CD and a copy of your job archived at our office. **Unlimited use rights are standard with every job. There is no buyout fee.**

**Digital Capture:**

Minimum per location (includes 20 images). . . . . \$200.00  
Additional in-camera digital images, per image . . . . . \$ 12.00

**Expenses:**

**The following expenses will be billed in addition to the shooting & digital capture fees:** lodging on the day(s) we shoot for you, plus, with your approval, any costs directly related to your assignment such as manlift rental or aircraft for aerial photography.

**On our scheduled no-travel-expense photo trips, there are no charges for air fares, auto mileage or gasoline, auto rental, photographer's travel time, or meals.** This no-travel-expense is also true at any time we're home, for jobs within 250 miles of our home bases in Austin, TX and Olympia, WA.

**Photoshop/digital manipulation:**

Per hour . . . . . \$ 95.00

At your request, using an archive copy of your disk, we will perform corrections such as removing electric wires and other unwanted items, adding a different sky, etc. Ask for an estimate.

*All fees and expenses are net to Ivy Associates. Unless agreed otherwise in advance, all charges are due and payable on receipt. Rights to use Ivy Associates photographs take effect when the statement is paid in full. Rates are effective January 1, 2015; subject to change without notice.*
